"Stanza I"

We will Shine the Light for all to see

Chrisland University;

For intellectual radiance

Moral standard & leaders' hip;

We uphold our values and principles

To raise great minds & entrepreneurs;

Chrisland University,

We'll always Shine the Light.

“Stanza II”

A shining tower that God has built

Chrisland University;

Deploying resources to educate

Great hearts of nobility;

Through innovation and research

For meeting our society's needs;

Chrisland University

We always Shine the Light.

Shine the light”

This underscores the value the University places on achieving excellence, sound, moral and intellectual freedom infused with godliness, ethical standards, character, and community service in all of its programmes and training to educate the total person.

Q: Are there sporting activities in Chrisland?

A: Yes, chrisland has in place sports like Basketball, Football, Table Tennis, Athletics, and many more.

Q: About Chrisland University

A: Chrisland University is a private, *internationally recognized university* that believes the lack of imagination is the source of all adversity in our world. The University therefore takes seriously the empowerment of students by tapping into the awesome creative potentials that rest within the imagination, which is why we graduate our students with two certificates- bachelor's degree and Entrepreneurship Training certification. Having realized the need to produce men and women who will not only be academically sound but economically sufficient, Chrisland University is leaving no stone unturned by making entrepreneurship a composite part and parcel of courses they are learning. Chrisland University has continued to grow in the prevailing circumstances as we are counting to 862 students, and more are coming. Chrisland University's international reputation is growing as there are students from different African countries studying in the Institution

Q: What are the admission requirements for undergraduate programs?

A: For Undergraduate

The admission requirements for undergraduate programs at Chrisland University are as follows:

Minimum of 5 credit passes in relevant subjects at O'level (WAEC, NECO, GCE, or their equivalent) in not more than two sittings.

Candidates must have sat for the Unified Tertiary Matriculation Examination (UTME) and obtained a score that meets the university's minimum cut-off mark.

Candidates must apply for admission through the Joint Admissions and Matriculation Board (JAMB) and choose Chrisland University as their preferred institution.

Candidates must participate in the university's post-UTME screening exercise and obtain a satisfactory score.

Candidates who meet the university's admission requirements will be offered provisional admission, subject to the payment of the prescribed fees.

Direct Entry candidates must possess a minimum of 2 A'level passes in relevant subjects, or a National Diploma (ND) or Higher National Diploma (HND) from a recognized institution, with a minimum of Lower Credit.

Q: for postgraduate programs

A: To be admitted into a postgraduate program at Chrisland University, you must meet the following admission requirements:

Possession of a first degree from a recognized institution with a minimum of Second Class Honours (Upper Division) in a relevant field.

A minimum of three years post-graduation work experience is required for applicants to the MBA program.

Possession of a master's degree in a relevant field with a minimum of a Second Class Honours (Upper Division) for those applying for a Doctorate degree (Ph.D.) program.

A minimum score of 50% in the qualifying examination organized by Chrisland University for all applicants.

Applicants may need an oral interview and/or a written examination as part of the admission process.

Applicants must provide academic transcripts and certificates, a current curriculum vitae (CV) and two letters of reference from academic or professional referees.

It is important to note that admission requirements may vary slightly depending on the program and department. Therefore, prospective applicants should carefully check the specific admission requirements for the program they are interested in.

Q: Hostel accommodation

A: Hostel fees at Chrisland University are likely to vary based on the type of accommodation, the duration of stay, and the facilities available in the hostel. Typically, universities offer different types of accommodation such as single rooms, shared rooms, and self-contained apartments, each with varying prices.

To get more accurate information on the current hostel fees at Chrisland University, I would recommend that you contact the university's administration or visit their official website. They should be able to provide you with up-to-date information on their accommodation options and fees. Chrisland University hostel fees is #120,000 every season.

Q: Does Chrisland accept admission for every student that applies

A: Chrisland University offers admission to eligible candidates who meet their admission requirements. To be considered for admission, prospective students must meet the university's minimum entry requirements, which includes a minimum of five credit passes in relevant subjects in the Senior Secondary School Certificate Examination (SSCE) or its equivalent.
